AMENDMENT

This Amendment is in response to the non-final Office Action mailed December 24, 2009. Applicant is filing this Amendment one month after the three-month shortened statutory period which ended March 24, 2010. Hence, Applicant respectfully petitions for a one month extension of time to extend the term for timely response to April 26, 2010 (due to April 24, 2010 falling on a Saturday and April 26, 2010 being the next business day). Authorization for payment of the required extension of time fee is being filed herewith via EFS.

Applicant believes that no other extension of time is required. However, Applicant also conditionally petitions for an additional extension of time to provide for the possibility that the need for such a petition has been inadvertently overlooked. As provided below, please charge Deposit Account No. 50-2121 for any required fee, or for any deficiency in the enclosed fee.

Applicant(s) appreciates the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:
